37 Submitted to His Highness.

K

At the Representative Assembly of 1912, it was suggested that a Brahmin and a Lingayet cook may be employed in all the Civil Hospitals in the State for the convenience of patients of those castes. In regard to this representation, the Senior Surgeon reports that a

L

Brahmin and a Lingayet cook are necessary in the following institutions:-

1. The General Hospital, Mysore.
2. Her Highness the Maharani's Hospital, Mysore.
3. The Maternity Hospital, Bangalore.

2. The accompanying papers, however, relate to the proposals received from him only with respect to Her

M

Highness the Maharani's Hospital, Mysore. The District

N

Board of the Mysore District and the Mysore City Municipal Council have agreed to meet their share of the cos of employing a Brahmin and a Lingayet cook on Rs.10/- each per mensem. The Financial Secretary is against sanc tioning the proposal on the ground that it is extravagan and suggests the replacing of the existing cook by a Brahmin on a slightly higher pay, if necessary.

Pages 6 & 8 of the office notes

3. The Second Member of Council considers that, if the institution is to be popular, it is necessary to have both a Brahmin and a Lingayet cook and adds that the District Board and the Mysore City Municipal Council would not have consented to bear their shares of the cost, if they had not been convinced of the necessity for the provision.

Pages 6-7 & 9 of the office notes

4. I agree with the Second Member and solicit the gracious sanction of His Highness to the proposal.
